### WHY MEETING WAS CALLED.

Reasons Given by Gen. J. H. Lucia in Conn. Loan & Realty Matter.

The Montpelier Journal yesterday published a statement from Gen. J. H. Lucia relating to the Connecticut Loan and Realty Co., in which it stated:

"The meeting of the shareholders and the circumstances surrounding it, is called as a result of a hearing that was held before Judge Rosaback of Connecticut during the latter part of June. At the hearing Morris C. Webster, State Loan and Realty commissioner of Connecticut, made application for the appointment of a receiver for the company. Shareholders of the Loan and Realty Company, among them Gen. J. H. Lucia of Montpelier, and others interested appeared as witnesses before the court.

"During the progress of this hearing the present management of the company offered to resign and leave the affairs of the business in the hands of Commissioner Webster until such time as a new board of directors should be elected by the shareholders.

"Judge Rosaback, who presided at the hearing, gave as his statement that he found the Connecticut Loan and Realty Company solvent and able to meet all its liabilities. But the court held that there had been mismanagement of the affairs of the company and that the directors must carry out their purpose of resigning or a receiver would be appointed. The court gave the shareholders until July 13 in which time to take action that will meet its approval. The board of directors resigned on June 30 and since that time Commissioner Webster has been in charge of the business. "Today the shareholders are meeting to elect a new board of directors and to take any other necessary measures to carry out the wish of the court. If the report that is made to the court on Thursday, July 13, of the action taken today is satisfactory to the judge, the business of the company will continue as usual, otherwise a receiver will be appointed."

E. W. Bisbee, who represented the Barre shareholders at the meeting has not yet returned home.

### GETS ST. GAUDENS' MEDAL.

Gift to President Roosevelt to Commemorate His Inauguration.

Oyster Bay, July 12.—President Roosevelt yesterday received the St. Gaudens' medal, designed and executed to commemorate his inauguration to the presidency. It is of gold, about three inches in diameter. One face of the medal bears a relief of the president, the view being a sharp profile. Around the likeness is the inscription "Theodore Roosevelt, President of the United States." And to the right of the bust is the Latin phrase, "Aequum Quique." On the reverse side in relief is an American eagle perched on a crag. Around it is the inscription, "Washington, D. C., March 4, 1901, E Pluribus Unum." Vice President Fairbanks was presented with one of the medals in gold while Secretary Loeb and each member of the inaugural committee received a medal of the same design in bronze.

If you contemplate owning a home, secure a good location while you may and keep in mind that it costs as much, frequently more, to build on an ordinary location as on a desirable one—one on which you can realize instantly its cost, or even more, at any time you desire to do so, near business and in good neighborhood.
